MONDAY MORNING, JUNE 13 Baytown, TX to Austin, TX

We understand Houston has quite the rush hour traffic. Odometer for mileage was tripped east of Houston off I-10 & TX-8. The Tour directions are to take I610-N of downtown to get to US-290W. For alternate routes to 290W, please consult a map, GPS, a map app on a smart phone, etc. Sam Houston Tollway is an alternate BUT will need to be on SOUTH LOOP heading west to US290W since NORTH LOOP has sections for EzTag only. Also the section that

crosses over the Ship Channel – east of Houston – is EzTag only. Between TX225 and to US290, looks to be (5) Toll Stops @ \$1.75 each.

TOLLWAY IS A SUGGESTION ONLY! www.hctra.org
