

P.A.S. TECHNICAL BULLETIN
#104 – 7/29/15 for 125

This technical bulletin concerns updates for the Down-n-Dirty 125 race scheduled for August 29, 2015 at Plymouth Speedway.

- All CARS will run Hoosier Emod tire: D, H, or A compounds.....Tires must be impounded and will be let out of impound after bar coding and inspection. This is a 4 tire show for all racing events. Because of the extra expense of changes made to the GARS rules for this event you will **not** have to buy new tires at the Memphis Dirt Track event. You may impound your used tires at Memphis.
- All cars must go through inspection before being allowed on track
- All cars must have a sticker that they have passed inspection.
- Remember SAFETY is the most important part of motorsports, please make sure your gear is up to date.

Gars Rules Cars

- All Cars with ANY 2 bbl. carb will weigh 3,000 pounds before race.
- All Cars with ANY 4bbl. carb will weigh 3,100 pounds before race.
- Intake Manifold rule is open.
- Any carb spacer plate will be allowed.
- Any type of induction for air to air cleaner is allowed.
- Regular weight allowances will be used for this event.
- All Lexan and or windows maybe removed. Screen maybe used for the windshield.
- Sway bar rule is open.
- Mud Caps for wheels allowed.
- Grooving and/or siping of tires is allowed.

Plymouth Speedway Car Rules

All rules as written in the current Plymouth Speedway Rule book will apply with the exception of the following:

- All cars must weigh 3,100 pounds after the race is complete
- Your 4 tires must be in the impound area before your car is inspected.

We at the Great American Racing Series hope you come and join us for what should be a new adventure for some and a great pay day. We have put on some great racing so far and would like to continue the fun and enjoyment. Please make sure you are on the list of drivers for updates and entry forms coming out. Thank You!

All technical questions should be directed to Mike Lemke, at 920-863-8012 between the hours of 5pm and 6pm Central Standard Time.
